A charming reminder of what it takes to be an exemplary woman—someone who is mindful of the effect she has on others and knows how to breeze through an awkward conversation with poise. Of all the women you know, how many of them would you describe as "a lady"? Naturally, you know women who are kind and intelligent, witty and resourceful; but a lady is an altogether different variety of female. She's mindful of the effect she has on those around her, and she's careful not to let her words or appearance betray her true intentions. How to Be a Lady is a charming reminder of what it takes to be an exemplary woman—someone who knows how to breeze through an awkward conversation with poise, or delicately sidestep the beauty salon gossip. Candace Simpson-Giles delivers a delightful refresher course on what it means to be a lady among women. During the Second World War, more than 4,000 civilian nurses enlisted as Nursing Sisters, a specially created all-female officers' rank of the Canadian Armed Forces. They served in all three armed force branches and all the major theatres of war, yet nursing as a form of war work has long been under-explored. An Officer and a Lady fills that gap. Cynthia Toman analyzes how gender, war, and medical technology intersected to create a legitimate role for women in the masculine environment of the military and explores the incongruous expectations placed on military nurses as "officers and ladies." As I have defined education, you will see the great importance of educating the conscience. It is the leading moral faculty, and must have a great influence upon the moral character. For the conscience itself may be wrong. It is not itself the rule by which you are to determine what is right and wrong. The Word of God is the rule. The office of conscience

is, to deter mine whether any thing you propose to do is agreeable to the rule, and to urge you, accordingly, to do it or not to do it. Suppose you wish to determine whether any thing is straight; you lay a rule upon it that you suppose to be straight, and if they agree, that settles the matter. Your eye, comparing the object with the rule, determines whether it is straight or not. But, if the rule applied is crooked, your eye is deceived, and you misjudge. Conscience is the eye of the soul, that compares an action with the rule. The conscience, then, must be well instructed. You must learn the rule of right from the Word of God, and then conscience will always decide right. But; if you adopt false notions of right and wrong, your very conscience will lead you astray. The first thing, then, in the education of the heart is, to have it filled with right pnVj 124 CONSCIENCE STIFLED. ciples; and these you are to obtain from the study of the Bible, and from listening to the instructions of your parents, teachers, and ministers. The next thing is, always to obey the voice of conscience If you go contrary to it, and do what conscience tells you is wrong, or neglect what it urges upon you as duty, you weaken that faculty, and harden the heart. When you refuse to hearken to the voice of conscience, the next time it will... If you are lucky you know someone like the elderly lady in this book. Whenever she sees you--coming home from school, trick-or-treating at Halloween, or walking with your dog in the wood--she makes you feel special. She is someone you admire. She is someone you love. Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, Act Like a Lady, Think Like a Man is a book you must read if you want to understand how men think when it comes to relationships. It's the gamble-and perhaps love affair-of a lifetime... When Agnes Morley Cleaveland was born on a New Mexico cattle ranch in 1874, the term "Wild West" was a reality, not a cliché. In those days cowboys didn't know they were picturesque, horse rustlers were to be handled as seemed best on the occasion, and young ladies thought nothing of punching cows and hunting grizzlies in between school terms. *The Portrait of a Lady* is a novel by Henry James, first published as a serial in *The Atlantic Monthly* and Macmillan's *Magazine* in 1880-81 and then as a book in 1881. legends, pirate wrecks, betrayal, and the most mysterious phenomenon of all: love. Rachel van Buren arrives in Gold Rush San Francisco with two wishes: to protect her younger siblings and to return east as soon as possible. Both goals prove more difficult than she could imagine as her brother and sister are lured by the city's dangerous freedom and a missionary-turned-gambler stakes a claim on her heart. Rachel won't give up without a fight though, and soon all will learn an eloquent but humorous lesson about what truly makes a lady. Speak Politely. Even when you're the only respectable woman around, protesting the decadence of a city lost to gold fever. Dress Modestly. Wear your sunbonnet at all times. Ensure nobody sees your work boots muddied by the San Francisco streets. Remain Devoted to Family. Protect your siblings from the lures of the city, even against their wishes. Stand Above Reproach. Most difficult when a wonderful man turns out to be a saloon owner. Rise Above Temptation. No, not even just a little kiss.... When these rules become increasingly difficult to uphold, can Rachel Van Buren remain a beacon of virtue in a city of vice? "...comparable to notable Regency author Marian Devon." ~Romantic Times BookClub Reviews If a lady is to become a Countess, there are rules... #1: A lady does not attempt to come out in London society disguised as her deceased half-sister. #2: A lady does not become enamored of her guardian; even when his masterful kisses and whispered words of affection tempt her beyond all endurance. #3: A lady may not climb barefoot from her bedroom onto a rose trellis, nor engage in fisticuffs with riffraff even if it is to rescue street urchins. #4: No matter how impossible the odds, a lady always gives her hand and her heart—though not necessarily in that order—to the one man who sees her as she truly is and loves her despite her flagrant disobedience of the rules for a lady. (Applause Books). It wasn't until the 10th century that women were allowed to perform, and then only in rare incidences. Like many art forms, female comedy got its start in the church and expanded to stage, radio, film, and television. For the longest time, it has been believed that women aren't funny. The stories within these pages will not only debunk that myth but will make you wonder how it ever got started in the first place. Women of all races have not only taken center stage in comedy, but in many cases, have dominated it. This book thoroughly explores the genre. *Comediennes: Laugh Be a Lady* chronicles the evolution of the humor through the research of Darryl and Tuezdae Littleton and the scores of interviews they conducted with veteran female performers from all mediums, as well as Tuezdae's own experiences as a comedienne. Startling facts are revealed and tributes are paid to the

icons of yesteryear by the titans of today in their own words and sentiments. Women have always made us laugh, from their outrageous characters, pratfall humor, cutting barbs, clever wit and unforgettable side-splitting moments. Their "herstory" has only just begun.
