In Mary's world there are simple truths. The Sisterhood always knows best. The Guardians will protect and serve. The Unconsecrated will never relent. And you must always mind the fence that surrounds the village; the fence that protects the village from the Forest of Hands and Teeth. But, slowly, Mary's truths are failing her. She's learning things she never wanted to

know about the Sisterhood and its secrets, and the Guardians and their power. And, when the fence is breached and her world is thrown into chaos, about the Unconsecrated and their relentlessness. Now, she must choose between her village and her future, between the one she loves and the one who loves her. And she must face the truth about the Forest of Hands and Teeth. Could there be life outside a world surrounded in so much death? A debut young adult rom-com about an African American ballerina who finds love on the road to an audition. "In a world where it's easy to lose faith in love, I Wanna Be Where You Are is a brilliant burst of light. A dazzling debut." — Nic Stone, New York Times bestselling author of Dear Martin and Odd One Out When Chloe Pierce's mom forbids her to apply for a spot at the dance conservatory of her dreams, she devises a secret plan to drive two hundred miles to the nearest audition. But Chloe hits her first speed bump when her annoying neighbor Eli insists upon hitching a

ride, threatening to tell Chloe's mom if she leaves him and his smelly dog, Geezer, behind. So now Chloe's chasing her ballet dreams down the east coast—two unwanted (but kinda cute) passengers in her car, butterflies in her stomach, and a really dope playlist on repeat. Filled with roadside hijinks, heart-stirring romance, and a few broken rules, Kristina Forest's *I Wanna Be Where You Are* is a YA debut perfect for fans of Jenny Han and Sandhya Menon. New York Times bestselling author Carrie Ryan and John Parke Davis transport readers back to the boundless world of the *Pirate Stream* in this engaging and exhilarating sequel to the highly acclaimed *The Map to Everywhere* that is equal parts adventure, humor, and heart! When the magical waters of the *Pirate Stream* begin flooding Marrill's world, the only way to stop the destruction is to return to the Stream and find the source of the mysterious *Iron Tide*. Reunited with her best friend Fin—who has been forgotten all over

again--Marrill, her disbelieving babysitter, and the Enterprising Kraken crew must make the treacherous trek to the towering, sliding, impossible world of *Monerva* and uncover the secrets of its long-lost wish machine. Only there can Fin wish to finally be remembered. Only there can Marrill wish to save her world and all the people she loves. But to get everything they've ever wanted, Marrill and Fin may have to give up on the most important thing they already have: each other. Through twists and turns of fate, orphaned Mary seeks knowledge of life, love, and especially what lies beyond her walled village and the surrounding forest, where dwell the Unconsecrated, aggressive flesh-eating people who were once dead. Struggling for normalcy in a haunted town between the forest and ocean, Gabry is unsettled by supernatural forces that threaten her mother, a situation that is thrown into chaos by a religious cult and a shattering act of recklessness. By the author of *The Forest of Hands and Teeth*. For nearly two

decades, since the publication of her iconic first novel, *The Good Mother*, Sue Miller has distinguished herself as one of our most elegant and widely celebrated chroniclers of family life, with a singular gift for laying bare the interior lives of her characters. In each of her novels, Miller has written with exquisite precision about the experience of grace in daily life—the sudden, epiphanic recognition of the extraordinary amid the ordinary—as well as the sharp and unexpected motions of the human heart away from it, toward an unruly netherworld of upheaval and desire. But never before have Miller’s powers been keener or more transfixing than they are in *Lost in the Forest*, a novel set in the vineyards of Northern California that tells the story of a young girl who, in the wake of a tragic accident, seeks solace in a damaging love affair with a much older man. Eva, a divorced and happily remarried mother of three, runs a small bookstore in a town north of San Francisco. When her second husband, John, is

killed in a car accident, her family’s fragile peace is once again overtaken by loss. Emily, the eldest, must grapple with newfound independence and responsibility. Theo, the youngest, can only begin to fathom his father’s death. But for Daisy, the middle child, John’s absence opens up a world of bewilderment, exposing her at the onset of adolescence to the chaos and instability that hover just beyond the safety of parental love. In her sorrow, Daisy embarks on a harrowing sexual odyssey, a journey that will cast her even farther out onto the harsh promontory of adulthood and lost hope. With astonishing sensuality and immediacy, *Lost in the Forest* moves through the most intimate realms of domestic life, from grief and sex to adolescence and marriage. It is a stunning, kaleidoscopic evocation of a family in crisis, written with delicacy and masterful care. For her lifelong fans and those just discovering Sue Miller for the first time, here is a rich and gorgeously layered tale of a family breaking

apart and coming back together again: Sue Miller at her inimitable best. In Mary's world there are simple truths. The Sisterhood always knows best. The Guardians will protect and serve. And she must face the truth about the Forest of Hands and Teeth. Could there be life outside a world surrounded in so much death? Turmoil hits the Roman Empire when its current emperor dies and his two sons Saturninus and Bassianus start to fight over the

throne. As a matter of the dead emperor's apparent wishes, his brother Titus is offered the throne but he refuses and lets Saturninus take the coveted seat. After coming to power, the new emperor desires his brothers betrothed as his wife and Titus agrees but ends up killing one of his own children when disagreements occur as to who is in the right. The sons of Titus then plot to rape their own sister so that such a thing will not happen and Titus, her father, will be forced to take the situation into his own hands but ends up going to further extremes. The award-winning masterpiece by one of today's most honored writers, Ursula K. Le Guin! The Word for World is Forest When the inhabitants of a peaceful world are conquered by the bloodthirsty yumens, their existence is irrevocably altered. Forced into servitude, the Athsheans find themselves at the mercy of their brutal masters. Desperation causes the Athsheans, led by Selver, to retaliate against their captors, abandoning their strictures

against violence. But in defending their lives, they have endangered the very foundations of their society. For every blow against the invaders is a blow to the humanity of the Athsheans. And once the killing starts, there is no turning back. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Suspenseful and richly atmospheric, June Hur's *The Forest of Stolen Girls* is a haunting historical mystery sure to keep readers guessing until the last page. 1426, Joseon (Korea). Hwani's family has never been the same since she and her younger sister went missing and were later found unconscious in the forest near a gruesome crime scene. Years later, Detective Min—Hwani's father—learns that thirteen girls have recently disappeared from the same forest that nearly stole his daughters. He travels to their hometown on the island of Jeju to investigate... only to vanish as well. Determined to find her father and solve the case that tore

their family apart, Hwani returns home to pick up the trail. As she digs into the secrets of the small village—and collides with her now estranged sister, Maewol—Hwani comes to realize that the answer could lie within her own buried memories of what happened in the forest all those years ago. Hur brings Jeju Island during the early Joseon period completely to life in a rich, evocative manner that reminds me of watching my favorite historical Kdrama." —Ellen Oh, author of the *Prophecy* series *Daughter of the Forest* is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is

Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. Best-selling author Rick Riordan presents the sequel to Tehlor Kay Mejia's critically acclaimed own-voices novel about science-obsessed Paola Santiago. "Paola is a brilliant, furious girl who often trusts her brain but trips over her heart."--Sarah Gailey, Hugo and Locus award-winning author of *River of Teeth* Six months after Paola Santiago confronted the legendary La Llorona, life is nothing like she'd expected it to be. She is barely speaking to her best friends, Dante and Emma, and what's worse, her mom has a totally annoying boyfriend. Even with her chupacabra puppy, Bruto, around, Pao can't escape the feeling that she's all alone in the world. Pao has no one to tell that she's having nightmares again, this time set in a terrifying forest. Even more troubling? At their center is her estranged father, an enigma of a man she barely remembers. And when Dante's abuela falls mysteriously ill, it

seems that the dad Pao never knew just might be the key to healing the eccentric old woman. Pao's search for her father will send her far from home, where she will encounter new monsters and ghosts, a devastating betrayal, and finally, the forest of her nightmares. Will the truths her father has been hiding save the people Pao loves, or destroy them? Once again Tehlor Kay Mejia draws on her Mexican heritage to tell a wild and wondrous story that combines creatures from folklore with modern-day challenges. waking forest has secrets. To Rhea, it appears like a mirage, dark and dense, at the very edge of her backyard. But when she reaches out to touch it, the forest vanishes. She's desperate to know more--until she finds a peculiar boy who offers to reveal its secrets. If she plays a game. To the Witch, the forest is her home, where she sits on her throne of carved bone, waiting for dreaming children to beg her to grant their wishes. One night, a mysterious visitor arrives and asks her what she wishes for, but the Witch sends him away. And then the uninvited guest returns. The strangers are just the beginning. Something is stirring in the forest, and when Rhea's and the Witch's paths collide, a truth more treacherous and deadly than either could ever imagine surfaces. But how much are they willing to risk to survive? Between 1968 and the mid-1970s, Ogawa Pro electrified the Japanese student movement with its Sanrizuka documentary series—eight films chronicling the massive protests over the construction of the

Narita airport—which has since become the standard against which documentaries are measured in Japan. A critical biography of a collective, *Forest of Pressure* explores the emergence of socially committed documentary filmmaking in postwar Japan. Analyzing Ogawa Pro's films and works by other Japanese filmmakers, Ab Mark Nornes addresses key issues in documentary theory and practice, including individual and collective cinema production modes and the relationship between subject and object. Benefiting from unprecedented access to Ogawa Pro's archives and interviews with former members, *Forest of Pressure* is an innovative look at the fate of political filmmaking in the wake of the movement's demise. Mackenzie Walker wasn't planning on using her college radio show to solve a decades-old murder, but when she receives an anonymous tip that the wrong man may have taken the fall, she can't resist digging deeper. It doesn't take long for Mackenzie to discover gaps in the official story. Several potential witnesses conveniently disappeared soon after the murder.

The victim, a glamorous heiress and founder of a Kentucky horse-racing dynasty, left behind plenty of enemies. And the cops don't seem particularly interested in discussing any of it. But when the threats begin, Mackenzie knows she's onto something. Someone out there would prefer to keep old secrets buried and they seem willing to bury Mackenzie with them. Thankfully, she's getting help from a very unexpected source: the victim's son, Ryan. The closer she gets to him, however, the more important it is for Mackenzie to uncover the truth before he gets buried alongside her. Essential steps for meta-analysis are covered, including calculation and pooling of outcome

measures, forest plots, heterogeneity diagnostics, subgroup analyses, meta-regression, methods to control for publication bias, risk of bias assessments and plotting tools. Advanced but highly relevant topics such as network meta-analysis, multi-three-level meta-analyses, Bayesian meta-analysis approaches and SEM meta-analysis are also covered. A companion R package, *dmetar*, is introduced at the beginning of the guide. It contains data sets and several helper functions for the *meta* and *metafor* package used in the guide. The programming and statistical background covered in the book are kept at a non-expert level, making the book widely accessible. Features

- Contains two introductory chapters on how to set up an R environment and do basic imports/manipulations of meta-analysis data, including exercises
- Describes statistical concepts clearly and concisely before applying them in R
- Includes step-by-step guidance through the coding required to perform meta-analyses, and a

They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to

discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story. If you lived in a world where everyone had a personal fairy, what kind would you want? A clothes-shopping fairy (The perfect outfit will always be on sale!) A loose-change fairy (Pretty self-explanatory.) A never-getting-caught fairy (You can get away with anything. . . .) Unfortunately for Charlie, she's stuck with a parking fairy-if she's in the car, the driver will find the perfect parking spot. Tired of being treated like a personal parking pass, Charlie devises a plan to ditch her fairy for a more useful model. At first, teaming up with her archenemy (who has an all-the-boys-like-you fairy) seems like a good idea. But Charlie soon learns there are consequences for messing with fairies-and she will have to resort to extraordinary measures to set things right again. original take on the zombie apocalypse by author T. Michael Martin, which ALA Booklist called "the best of the undead bunch" in a starred review. Seventeen-year-old Michael and his five-year-old brother, Patrick, have been battling monsters in the Game for weeks. In the rural mountains of West Virginia—armed with only their rifle and their love for each other—the brothers follow Instructions from the mysterious Game Master. They spend their days searching for survivors, their nights fighting endless hordes of "Bellows"—creatures that roam the dark, roaring for flesh. And at this Game, Michael and Patrick are very good. But the Game is changing. The Bellows are evolving. The Game Master is leading Michael and Patrick to other survivors—survivors who don't play by the rules. And the brothers will never be the same. T. Michael Martin's debut novel is a transcendent thriller filled with electrifying action, searing emotional insight, and unexpected romance. The "brilliant, funny,

meaningful novel" (The New Yorker) that established J. D. Salinger as a leading voice in American literature--and that has instilled in millions of readers around the world a lifelong love of books. "If you really want to hear about it, the first thing you'll probably want to know is where I was born, and what my lousy childhood was like, and how my parents were occupied and all before they had me, and all that David Copperfield kind of crap, but I don't feel like going into it, if you want to know the truth." The hero-narrator of *The Catcher in the Rye* is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. A beautiful synthesis of Robin Hood legends. --Marion Zimmer Bradley

FROM THE CRITICALLY ACCLAIMED AUTHOR OF THE LONGSHOT comes this gripping saga about the

destruction of a family, a home, and a way of life. Set on a struggling farm in a colonial country teetering on the brink of civil war, *Gone with the Wind* is a tale of family drama and political turmoil in which fiery storytelling melds with daring, original prose. Since his mother's death, Tom and his father have fashioned a strained domestic peace, where everything is frozen under the old man's vicious control. But when a young woman named Scarlett arrives at the farm, the tension between the two men escalates to the breaking point. Hailed by the *Boston Globe* as "a major talent," Mitchell shines in this powerful new novel. All over the tri-state area, something strange is happening. Teenagers who die aren't staying dead. They are coming back to life, but they come back different - they stutter and their reactions to everything are slower. Termed 'living impaired' or 'differently biotic', there are lots of conspiracy theories to explain this new phenomenon. But as their numbers keep on growing, so does the

discomfort of the living people in the community. When Phoebe falls for Tommy Williams, her best friend and star of the football team, Adam, has conflicting emotions. And when Tommy decides to try out for the football team, it sets off a chain of events that escalates into deadly violence. An adventurous story of a frontier boy raised by Indians, *The Light in the Forest* is a beloved American classic. When John Cameron Butler was a child, he was captured in a raid on the Pennsylvania frontier and adopted by the great warrior Cuyloga. Renamed True Son, he came to think of himself as fully Indian. But eleven years later his tribe, the Lenni Lenape, has signed a treaty with the white men and agreed to return their captives, including fifteen-year-old True Son. Now he must go back to the family he has forgotten, whose language is no longer his, and whose ways of dress and behavior are as strange to him as the ways of the forest are to them. After modern science turns every human into a genetic time bomb with men dying at age

twenty-five and women dying at age twenty, girls are kidnapped and married off in order to repopulate the world. NEW YORK TIMES BEST SELLER • From the world's leading forest ecologist who forever changed how people view trees and their connections to one another and to other living things in the forest—a moving, deeply personal journey of discovery Suzanne Simard is a pioneer on the frontier of plant communication and intelligence; her TED talks have been viewed by more than 10 million people worldwide. In this, her first book, now available in paperback, Simard brings us into her world, the intimate world of the trees, in which she brilliantly illuminates the fascinating and vital truths--that trees are not simply the source of timber or pulp, but are a complicated, interdependent circle of life; that forests are social, cooperative creatures connected through underground networks by which trees communicate their vitality and vulnerabilities with communal lives not that different from our

own. Simard writes--in inspiring, illuminating, and accessible ways—how trees, living side by side for hundreds of years, have evolved, how they learn and adapt their behaviors, recognize neighbors, compete and cooperate with one another with sophistication, characteristics ascribed to human intelligence, traits that are the essence of civil societies--and at the center of it all, the Mother Trees: the mysterious, powerful forces that connect and sustain the others that surround them. And Simard writes of her own life, born and raised into a logging world in the rainforests of British Columbia, of her days as a child spent cataloging the trees from the forest and how she came to love and respect them. And as she writes of her scientific quest, she writes of her own journey, making us understand how deeply human scientific inquiry exists beyond data and technology, that it is about understanding who we are and our place in the world. Danger lurks within the roots of *Forest of Souls*, an epic, unrelenting tale of

destiny and sisterhood, perfect for fans of Naomi Novik and Susan Dennard. "A tantalizing beginning to a rich new fantasy series." —Traci Chee, NYT bestselling author of The Reader trilogy "Absolutely enchanting." – Natalie C. Parker, author of Seafire "You won't want to escape." – Sarah Henning, author of the Sea Witch "Will leave you shouting sisters unite!" – Mindee Arnett, author of Onyx & Ivory and Avalon

Sirscha Ashwyn comes from nothing, but she's intent on becoming something. After years of training to become the queen's next royal spy, her plans are derailed when shamans attack and kill her best friend Saengo. And then Sirscha, somehow, restores Saengo to life. Unveiled as the first soulguide in living memory, Sirscha is summoned to the domain of the Spider King. For centuries, he has used his influence over the Dead Wood—an ancient forest possessed by souls—to enforce peace between the kingdoms. Now, with the trees growing wild and untamed, only a soulguide can restrain them. As war

looms, Sirscha must master her newly awakened abilities before the trees shatter the brittle peace, or worse, claim Saengo, the friend she would die for. Collects and analyzes seventy years of communist crimes that offer details on Kim Sung's Korea, Vietnam under "Uncle Ho," and Cuba under Castro. 6 Starred Reviews and a New York Public Library Best Book of 2017! New York Times bestselling author Jodi Lynn Anderson's epic tale—told through three unforgettable points of view—is a masterful exploration of how love, determination, and hope can change a person's fate. 2065: Adri has been handpicked to live on Mars. But weeks before launch, she discovers the journal of a girl who lived in her house more than a hundred years ago and is immediately drawn into the mystery surrounding her fate. 1934: Amid the fear and uncertainty of the Dust Bowl, Catherine's family's situation is growing dire. She must find the courage to sacrifice everything she loves in order to save the one person she loves most.

1919: In the recovery following World War I, Lenore tries to come to terms with her grief for her brother, a fallen British soldier, and plans to sail from England to America. But can she make it that far? While their stories span thousands of miles and multiple generations, Lenore, Catherine, and Adri's fates are entwined in ways both heartbreaking and hopeful. In Jodi Lynn Anderson's signature haunting, lyrical prose, human connections spark spellbindingly to life, and a bright light shines on the small but crucial moments that determine one's fate. "Deft, succinct, and ringing with emotion without ever dipping into sentimentality, Anderson's novel is both intriguing and deeply satisfying."—Kirkus (starred review) "Each character's resilience and independence shines brightly, creating a thread that ties them together even before the intersections of their lives are fully revealed. Anderson's piercing prose ensures that these

remarkable women will leave a lasting mark on readers."—Publishers Weekly (starred review) "With quietly evocative writing, compellingly drawn characters, and captivating secrets to unearth, this thought-provoking, lyrical novel explores the importance of pinning down the past before launching into the mystery of the future."—Booklist (starred review) "Anderson ...allows her characters to shine through, with each distinct, nuanced, and memorable."—BCCB (starred review) "Anderson deftly tackles love, friendship, and grief in this touching exploration of resilience and hope. A must-have for all YA collections."—School Library Journal (starred review) "In *Midnight at the Electric*, Jodi Lynn Anderson weaves a shining tale of hope in the face of adversity. " —Shelf Awareness (starred review)
