**Of Warriors, Lovers and Prophets** Jul 12 2021 South African history will never be the same again ... Shunning the predictable, Max du Preez has put on his investigative journalist's cap and examined our past from a fresh perspective. The result is a collection of extraordinary and mostly unknown stories, all meticulously researched and written in an engaging and lively style. Instead of regurgitating the story of Jan van Riebeeck's arrival at the Cape, he tells the tales of a Portuguese viscount killed on a Cape beach in 1510, of the Khoikhoi chief who was kidnapped and taken to England in 1610, and of the saucy goings-on between slave women and their European settler lovers. There's the story of King Moshoeshoe's remarkable conduct when cannibals ate his beloved grandfather, and Shaka's sexuality is explored via his relationship with his mother and the woman who loved him without ever touching him. Sidestepping the old clichés about the Anglo-Boer War, Du Preez recounts the story of an Afrikaner broedertwis - General Christiaan de Wet and his brother Piet, who joined the British forces and fought his own people. The reader is taken through every stage of our history, up to the story of apartheid South Africa's nuclear bombs, and the secret dealings and intrigue during the negotiations leading up to the 1994 elections. This is South African history as you've never seen it before: a colourful mosaic of our rich heritage.

**Van Afrikaans gepraat** Oct 15 2021 'n Nuwe boek oor Afrikaans se Afrika-komvandaan Van Afrikaans gepraat 'n splinternuwe boek deur Christo van Rensburg is nou te koop. Waar het Afrikaans begin? Wie het eerste Afrikaans gepraat? Was die Kaap regtig Hollands? Hoe het die Khoi en die Portugese met mekaar handel gedryf? Watter rol het slawe gespeel in die ontstaan van Afrikaans? Wat is die invloed van townships op Afrikaans? Hoe het die verskeie trekke Afrikaans beïnvloed? Die taalkontak wat daaruit gevolg het of selfs ook die vrees vir taalkontak is een van Afrikaans se belangrike stories. Die skryf van Afrikaans het op verskillende maniere begin met sterk invloede uit die Islam. Afrikaans se standaardisering gaan met heelwat vertellings gepaard. *Children of Hope* Mar 20 2022 In *Children of Hope*, Sandra Rowoldt Shell traces the lives of sixty-four Oromo children who were enslaved in Ethiopia in the late-nineteenth century, liberated by the British navy, and ultimately sent to Lovedale Institution, a Free Church of Scotland mission in the Eastern Cape, South Africa, for

their safety. Because Scottish missionaries in Yemen interviewed each of the Oromo children shortly after their liberation, we have sixty-four structured life histories told by the children themselves. In the historiography of slavery and the slave trade, first passage narratives are rare, groups of such narratives even more so. In this analytical group biography (or prosopography), Shell renders the experiences of the captives in detail and context that are all the more affecting for their dispassionate presentation. Comparing the children by gender, age, place of origin, method of capture, identity, and other characteristics, Shell enables new insights unlike anything in the existing literature for this region and period. Children of Hope is supplemented by graphs, maps, and illustrations that carefully detail the demographic and geographic layers of the children's origins and lives after capture. In this way, Shell honors the individual stories of each child while also placing them into invaluable and multifaceted contexts.

**Umkhonto we Sizwe** Jun 11 2021 The armed struggle waged by the ANC's military wing, Umkhonto we Sizwe (MK), was the longest sustained insurgency in South African history. This book offers the first full account of the rebellion in its entirety, from its early days in the 1950s to the inauguration of Nelson Mandela as South African president in 1994. Vast in scope, this story traverses every corner of South Africa and extends throughout southern Africa, where MK's largest campaigns and heaviest engagements occurred, as well as to the solidarity networks that the rebellion mobilised around the world. Drawing principally from previously unpublished writings and testimonies by the men and women who fought the armed struggle, this book recreates the drama, heroism and tragedy of their experiences. It tells the story of leaders like Nelson Mandela, Oliver Tambo, Joe Slovo and Chris Hani, whose reputations were forged in the crucible of the armed struggle, but it is also a tale of martyrs such as Looksmart Ngudle, Ashley Kriel and Phila Ndwandwe, as well as of MK cadres such as Leonard Nkosi and Glory Sedibe, who would ultimately turn against the ANC and collaborate with the state in hunting down their former comrades. Written in a fresh, immediate style, Umkhonto we Sizwe is an honest account of the armed struggle and a fascinating chronicle of events that changed South African history.

The Boers in East Africa Jun 23 2022 At the end of the Anglo-Boer War in May 1902, the defeated Boers emigrated en masse out of South Africa. They had three diverse destinations: a large group went to Argentina, a smaller group to the American southwest (Mexico and the Texas-New Mexico border area), and a third group to East Africa. In both the large migrations, to Argentina and East Africa, the different denominations of the Dutch Reformed Church established congregations and sent dominees (ministers), who were regularly replaced by new dominees fresh from South Africa. The dominees became important agents in the preservation of Afrikaner ethnicity and instruments in return migrations, decades later, of Afrikaans speakers to South Africa.

**Stories from the Touchline** Dec 17 2021 A collection of humorous, touching and uplifting stories about life, rugby and everything else by one of South Africa's true rugby legends ... Theuns Stofberg's illustrious rugby career spanned from 1976 to 1985, and he is commonly considered one of the all-time Springbok greats. As the 36th captain of the Springboks, one of only 56 players to be given this honour, he was tough and uncompromising on the field but a true gentleman and great raconteur off it, which he proves with the anecdotes collected in this book. In *Stories from the Touchline*, he takes the reader behind the scenes, from his childhood days as a schoolboy rugby player to the 1981 flour-bomb tour of New Zealand and winning the Currie Cup for three different provinces – a feat unmatched to this day. He also writes about what it was like playing with legends such as Morné du Plessis, Gerrie Germishuys, Schalk Burger Sr and Gysie Pienaar, marvels at the fans' odd and often

colourful behaviour, and affords readers a fascinating glimpse into the amateur days of rugby in South Africa. He also shares his personal struggles with a speech impediment and ill health, and coping with family tragedy, in his own inimitable way. By turns deeply personal, amusing and nostalgic, this book will be treasured by each and every South African rugby fan.
